### *Needs writers for their website.....*

Dan Valerino is the owner of [www.SportInformant.com](http://www.SportInformant.com), a growing website that features sports news and information. We are looking to give possible writing opportunities to students.

Our website is about to undergo a massive overhaul with several upgrades and has a need to fill writing vacancies and we want to fill those openings with motivated, enthusiastic writers who would like to be part of our growth.

The positions are unpaid or internships. We are offering students an opportunity to get writing out there now and have somewhere to reference for future employers.

If you would like any further information on this, please contact me at [DValerino@SportInformant.com](mailto:DValerino@SportInformant.com) or call me at 216-410-3367.
