*Real World Experience On Campus
WSUSports Information Office
looking for interns...*

The Wayne State University sports information office is looking for energetic WSU students interested in athletics who would like to get real job experience.

Interns will write event recaps, update the athletic web site, send in weekly information to the league office while also having the ability to write feature stories that will appear on the athletic web site and potentially the athletic quarterly publication "Warrior Within."

For more information, please contact Sports Information Director Jeff Weiss at 577-7542 or jeff.weiss@wayne.edu, or assistant SID Tom Gorman at 577-2299 or tgorman@wayne.edu.
