

Media Studies

Coursework Requirements Curriculum Checksheet

The Master of Arts in Communication with a Concentration in Media Studies program is academically oriented and is for students interested in advanced study of television, film, and other mass media. This degree is appropriate for students interested in media processes and research, media effects, media theory and criticism, film criticism, and scholarly research and writing about radio, television, and film. It is an appropriate preparatory degree for doctoral work.

Students entering the M.A. Media Studies program without significant, recent experience in digital video production must take COM 5350: Media Arts Production in the first semester of coursework.

One required course:

COM 7000: Introduction to M.A. Studies in Communication (3 cr) _____
