

Exciting Internship at the American Arab Chamber of Commerce

Take advantage of the opportunity to intern at the **largest Arab American business organization in the country**. The Chamber builds economic bridges by promoting and empowering the business community it serves, locally, nationally and internationally. The Chamber provides business referrals, member promotions, networking events, educational seminars, information exchange through E-newsletters and online publications and many other benefits and services. The Chamber also advocates on behalf of its members with lawmakers, governmental agencies and local entities.

Why Intern With Us?

As an intern at the Chamber, you will gain an invaluable experience. The Chamber organizes many exciting events, such as the Annual Golf Open, the Annual Arab International Festival, which attracts more than 300,000 people, the Annual banquet, which attracts more than 1,000 entrepreneurs, elected officials and business and community leaders. This is just some of our activities, and you can be part of the action as you join in the efforts of our organization.

Our commitment to helping other businesses grow will provide you with great insight into the real world while you sharpen your valuable business skills. You can also write press releases, stories for our website and weekly E-newsletter and interact with the surrounding community while improving your communication skills. We want to hear what tasks you want to take on and let you put your skills and talent to work.

We welcome hardworking, determined, motivated, and enthusiastic individuals. Applicants must have completed at least one year of college.
