WEST OAKLAND'S NEWSWEEKLY

EDITORIAL & PHOTOGRAPHY INTERNS

The SCN Communications Group, publishers of the Spinal Column Newsweekly and Oakland Lakefront magazine, is seeking unpaid editorial and photo/video interns on a rolling basis. We are flexible and more than willing to work around your demanding school and/or work schedule.

Based in Waterford, the Spinal Column Newsweekly is the leading source of news and opinion in beautiful west Oakland County. We offer opportunities on a weekly basis to see your byline and photo credits in each edition of the Spinal Column Newsweekly. With a dedicated and experienced team of editors, reporters, and photographers, you'll get real newsroom experience working with passionate and professional journalists day-in, day-out.

We require that intern candidates have a reliable form of transportation. Some reporting and/or photography experience is preferred, but we are willing to work with otherwise qualified and energetic students.

To apply, editorial intern candidates should e-mail their resume and cover letter to Editor Tim Dmoch (timdmoch@thescngroup.com) and/or Assistant Editor Kirk Pinho (kirkpinho@thescngroup.com). Recently published clips are, of course, welcomed.

To apply, photo/video intern candidates should e-mail a resume and cover letter to Staff Photographer Amy Lockard (amylockard@thescngroup.com). We also recommend that you include recent examples of your photography or video work.
