## Production Interns needed for YOBI.tv!

YOBI.tv is accepting applications for production interns on its first two webseries:

***Dream Maker*** (starring MTV's Audrina Patridge)

***Random Talent*** (starring *Jersey Shore*'s Mike "The Situation" Sorrentino)

Interns will work with Hollywood cast and crew on a union-run set and receive the appropriate credit for their position.

Each production will last 7-10 days and shoots this May/June right here in Michigan!

We're currently accepting interest in the Lighting and Audio departments, as well as general Production Assistants who can be taught to fill other roles.
