

Graduate Certificate in Communication and New Media

Coursework Requirements Curriculum Checksheet

The Graduate Certificate in Communication and New Media emphasizes theory, production, and application of new media technology. The program reflects developments in communication, computer, and telecommunications technologies. All courses are available in an online format.

The Certificate allows maximum six credits to count toward both the Certificate and a relevant MA in the department when a student is enrolled in both the G.C. and M.A. programs concurrently. Transfer of credit from other institutions may not be applied toward the credits required for the certificate.

Two required courses (6 cr):
